

## **ALPHA**

Alpha is a brilliant course designed for people who want to find the answers to really important questions in life.

The course, which is supported by all the main Christian denominations, has helped thousands of people and gives the opportunity for anyone to explore the Christian faith in a relaxed, non-threatening, low key, friendly and fun environment!

There is a meal together at the beginning of each session which gives the opportunity to get to know each other.

Listen, learn, discuss and discover - ask anything. Alpha is a place where no question is too simple or too hostile.

The Alpha course consists of a series of talks looking at topics such as 'Who is Jesus?' and 'Why and how do I pray?' After each talk we divide into small groups for a time of discussion.

St. Paul's runs regular Alpha daytime and evening courses to fit into term time.
