

## **MENMEET**

Life in Surrey can be hectic. Increasingly men find themselves commuting further, working longer hours, often away from home, and facing increasing family demands. Financial and emotional crisis, redundancy and divorce, are symptoms of this high pressure lifestyle. Without a firm foundation any of us can so easily fall.

Founded more than 6 years ago under the auspices of St. Paul's Church, Menmeet now provides a number of forums for men from the Dorking area to meet socially, share their experiences and develop in faith through Bible based studies and prayer.

### **Regular Saturday Breakfasts**

Most Saturdays a group of 8-10 men meet at Crossways Community Baptist Church in Junction Road. After breakfast we enjoy Bible studies which address the real issues men face in the workplace, at home and in the wider world.

### **Evening Groups**

Starting from meeting at the pub or wine bar, to watching a video and debating the issues has been proven beneficial for single men or those with younger families, who like to keep their weekends free, or to have a lie-in on a Saturday.

### **Breakfast Events**

Three or four times per year men of the regular Saturday group invite a Christian speaker to address them and their guests. The events are supported by a wider group of 20-30 men from St. Paul's and other local churches.

P.T.O.

## **External Meetings**

Occasionally we attend events staged by other Christian men's groups, e.g. at Ashted or Ockley, who may be staging a speaker of particular note, or we participate with Surrey Men for Christ in workshops and retreats.

## **Social Events**

Social evenings provide an opportunity to gather in the wayward and introduce new members in convivial environment. We usually share a meal (BBQ or curry) and a few beers and catch up on developments in family, work and our faith. Sporting events such as Softball on the Nower provides a vehicle for reach-out to men with younger families, to offer support and address their needs.
