

OUTREACH SUPPORT TEAM

The team has seven members consisting of: Gill Clutterbuck, David Bassett, Tim Eley, Graham Everness, David & Candy Owens and Marjorie Prior. We aim to support the activities of St. Paul's groups in reaching out to both the local & wider community.

We encourage stronger links with the families and individuals who we support as full time missionaries and encourage more people to consider both short, medium & long term missions. We also allocate St. Paul's Giving Fund, which has both set amounts which we give regularly each year – to our missionaries and specific organizations, as well as a “General Mission Fund” which is allocated according to need throughout the year. This fund is generally used for supporting St Paul's people going on short term missions, such as a gap year mission and special, specific or disaster appeals from Christian organisations or our missionaries.
